

(Verse 1 – Meet the Axolotl!)

"Deep in the water, where the rivers flow,"
"Lives a little creature that you might not know!"
"A big wide smile and feathery hair,"
"A squishy little body that wobbles everywhere!"

(Chorus – Axolotl Waddle Dance! )

"Wiggle to the left, wiggle to the right!"
"Swish your tail and hold on tight!"
"Hop up once, then sink down low,"
"That's the axolotl waddle—here we go!"

(Verse 2 – What Makes Them Special?)

"Axolotls never grow up, oh wow!"
"They stay little babies, even now!"
"They can regrow a leg, a tail, or two,"
"Like a real-life magic trick—who knew?"

(Chorus – Axolotl Waddle Again! )

"Wiggle to the left, wiggle to the right!"
"Swish your tail and hold on tight!"
"Hop up once, then sink down low,"
"That's the axolotl waddle—here we go!"

(Bridge – Axolotl Party! )

"Pink ones, white ones, speckled and black,"
"All of them swimming in a happy pack!"
"They wiggle and giggle all through the day,"
"Doing the Axolotl Waddle their own fun way!"

(Final Chorus – Dance Party! )

"Wiggle to the left, wiggle to the right!"
"Swish your tail and hold on tight!"
"One last time, let's waddle and spin,"
"Axolotl fun—let's do it again!"
