

[Verse 1]

Woke up muddy from a dragon dream,  
Grass in my hair and jam on my knee!  
Mom said, "Hey now, it's time to clean,"  
Let's fill the tub—it's a bathtime scene!

[Chorus]

Splish splash, bubble bash,  
Rubber ducky's doing a cannon crash!  
Wash my arms, wash my nose,  
Scrub my fingers and my toes!  
Splish splash, scrub-a-doo,  
I'm the cleanest kid—how 'bout you?

[Verse 2]

Shampoo hat on my foamy crown,  
Scrub-a-dub-dub till the dirt goes down.  
Water swirls like a magic spell,  
I'm squeaky clean and I smell so well!

[Chorus]

Splish splash, bubble bash,  
Soap parade and a sponge mustache!  
Rinse my ears, rinse my chin,  
Make sure I get behind the skin!  
Splish splash, scrub-a-dee,  
Being clean feels great to me!

[Bridge – Educational Twist]

Germs like hiding where you can't see,  
So scrub-a-dub smart, and you'll be germ-free!  
Don't forget elbows, knees, and feet,  
Bathtime's how we stay fresh and neat!

[Final Chorus]

Splish splash, bubble bash,  
Bathtime's over in a splashy flash!  
Wrap me up, towel hug,  
Time to chill in my cozy rug.  
Splish splash, I had a blast—  
Can't wait 'til the next bath bash!
